The EU Delegation in Indonesia and participating European countries are delighted to present the 26th edition of Europe on Screen (EoS), taking place from 4-14 June 2026 in 8 cities across Indonesia.

This year, EoS 2026 invites audiences to discover 55 films from 28 European countries – a vibrant journey through different cultures, perspectives and human stories. Beyond showcasing European films, EoS also continues its commitment to supporting the Indonesian film industry through the 9th edition of the EoS Short Film Pitching Project, helping nurture and inspire the next generation of Indonesian filmmakers.

EoS 2026 would not be possible without the close collaboration of European embassies and cultural centres, the Festival Co-directors and their dedicated team, as well as our festival, media, universities and community partners across Indonesia. Their passion and commitment keep this festival growing year after year.

We hope this festival gives everyone a reason to step out, share stories together and enjoy the magic of cinema. In challenging times, films can still connect us, inspire hope and remind us of our shared humanity.

Delegasi Uni Eropa di Indonesia, bersama negara-negara Eropa yang berpartisipasi, dengan bangga mempersembahkan Europe on Screen (EoS) edisi ke-26, yang berlangsung pada 4-14 Juni 2026 di 8 kota di Indonesia.

Tahun ini, EoS 2026 mengajak penonton untuk menikmati 55 film dari 28 negara Eropa – menelusuri beragam budaya, perspektif dan kisah kehidupan manusia. Selain menghadirkan film-film Eropa, EoS terus berkomitmen mendukung industri film Indonesia melalui edisi ke-9 EoS Short Film Pitching Project, untuk membina dan menginspirasi generasi baru sineas Indonesia.

EoS 2026 tidak akan terwujud tanpa kolaborasi erat antara kedutaan besar dan pusat kebudayaan negara-negara Eropa, para Ko-Direktur Festival dan tim, serta seluruh mitra festival, media, universitas dan komunitas di seluruh Indonesia. Semangat dan komitmen mereka membuat festival ini terus berkembang dari tahun ke tahun,

Kami berharap festival ini dapat menjadi alasan bagi semua untuk keluar rumah, berbagi cerita dan menikmati keajaiban sinema. Di tengah masa yang penuh tantangan, film tetap mampu menghubungkan kita, menumbuhkan harapan dan mengingatkan akan kemanusiaan kita bersama.

Selamat Menonton Film dan terima kasih atas dukungan kalian selalu untuk #EuropeOnScreen.

Welcome to Europe on Screen 2026.

Fatima, the lead character in our opening film *The Baronesses*, rediscovers her spark in performing art at 60 years old, and is greatly supported by her communities. Filip, the ten-year-old boy who leads our closing film *Atlas of the Universe*, embarks on a tireless journey to get what he wishes for.

Strong characters in relatable stories are the common themes of our films this year. We hope these films can comfort and more importantly inspire us to uphold ourselves in these challenging times. Some films may have been flying under the radar for a while now, but trust me, they are all worth watching.

My sincere gratitude to all partners and fellow team members that made the festival happen this year.

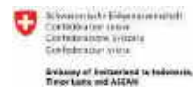

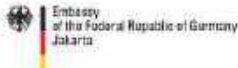

Selamat datang di Europe on Screen 2026.

Fatima, karakter utama di film pembuka festival The Baronesses, menemukan kembali kegemarannya pada seni pertunjukan di usia 60 tahun, dan mendapat dukungan dari lingkungannya. Filip, anak berumur 10 tahun di film penutup festival Atlas of the Universe, melakukan perjalanan panjang untuk mendapatkan apa yang diinginkan.

Karakter-karakter kuat dalam cerita yang dekat dengan kita menjadi benang merah film-film di EoS tahun ini. Kami berharap film-film ini dapat menghibur dan terutama dapat menginspirasi kita untuk tetap tegak berdiri di saat-saat sulit seperti ini. Beberapa film mungkin kurang dikenal, tapi percayalah, semuanya layak ditonton.

Terima kasih saya untuk seluruh partner dan panitia yang membantu mewujudkan festival tahun ini.

Generasi Beruang (Generation Bears)

Indonesia | 62 minutes | 13+

The Generation section in Berlin International Film Festival, or Berlinale, is a platform to screen and host distinctive films made for children, teenagers and the whole family viewing. In the past two decades, four Indonesian short films made their premieres here, before traveling further to other film festivals in other parts of the world. These four films are fresh, unpretentious and earnest in their storytelling, which do not surprise us that they are timeless. Through this special program called Generation Bears, Europe on Screen 26 could not be more proud in highlighting these films and honouring their stories, which we believe will remain relevant in years to come.

Generation adalah kategori pemutaran di Berlin International Film Festival, atau Berlinale, yang khusus memutar film-film spesial untuk anak-anak, remaja dan keluarga. Dalam dua puluh tahun terakhir, ada empat film pendek Indonesia yang diputar pertama kali di sini, sebelum mereka diputar di beberapa festival film internasional lain di seluruh dunia. Empat film pendek ini segar, bersahaja, dan tulus dalam menyampaikan cerita mereka, sehingga tidak heran jika film-film ini masih relevan. Lewat program spesial Generasi Beruang, Europe on Screen 26 dengan bangga mempersembahkan film-film ini, yang kami percaya masih akan tetap layak ditonton di masa depan.

Humans of Europe

76 minutes | 17+

It is impossible and it should be impossible to choose films that define Humans of Europe. Yet the impossibility only allows us to find the joy of discovering these films are made with hearts. The hearts were in the right place in crafting characters that are unique, relatable, and in some of them are fun to watch, which make these short films endearing, and worth our attention.

Sangat tidak mungkin menetapkan beberapa film bisa merepresentasikan Humans of Europe. Namun ketidaktunggalan itu malah membuat kami menemukan film-film ini, yang dibuat dengan hati. Hati yang membuat film-film ini mempunyai karakter-karakter yang unik, dekat dengan kita, dan beberapa di antaranya menyenangkan untuk diikuti, yang membuat semua film pendek ini layak untuk ditonton.
